Terrorist training camps in Bangladesh

†1007. SHRI KALRAJ MISHRA: Will the Minister of HOME AFFAIRS be pleased to state:

(a) the list of the terrorist organizations involved in anti-India activities in Bangladesh and Nepal and the initiatives taken by Government to get them extradited and reaction of Bangladesh Government thereto;

(b) whether Government is aware of the fact that training camps are being run by Harkat-ul-Jehad-e-Islami (HUJI) and terrorists in Bangladesh; and

(c) if so, the reaction of Government thereto?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRIMATI V. RADHIKA SELVI): (a) while there is no report to suggest presence of Indian insurgent Groups (IIG) in Nepal, Government is aware that some IIGs have set up camps/hideouts and their leaders are suspected to be staying in Bangaldesh. The Government has regularly taken up, with Bangladesh, various security related matters including misuse of Bangladesh soil for activities inimical to India at different levels *viz.* diplomatic channels and institutional mechanisms existing between the two countries including the Home Secretary level talks. Government of Bangladesh has always assured that it will not allow it territory to be used for activities inimical to India. We now look forward for Bangladesh to translate this commitment into concrete action.

(b) and (c) There are reports that terrorist organizations such as LeT and HuJI have used Bangladesh territory as a staging post and as an infiltration/exfiltration route for carrying out attacks in India. This matter has been taken up with Bangladesh and efforts have been made to dismantle these networks.
